About Avid Bioservices, Inc.

Avid Bioservices (NASDAQ:CDMO), an S&P SmallCap 600 company, is a dedicated contract development and manufacturing organization (CDMO) focused on development and CGMP manufacturing of biologics. The company provides a comprehensive range of process development, CGMP clinical and commercial manufacturing services for the biotechnology and biopharmaceutical industries. With 29 years of experience producing monoclonal antibodies and recombinant proteins, Avid's services include CGMP clinical and commercial drug substance manufacturing, bulk packaging, release and stability testing and regulatory submissions support. For early-stage programs the company provides a variety of process development activities, including upstream and downstream development and optimization, analytical methods development, testing and characterization. The scope of our services ranges from standalone process development projects to full development and manufacturing programs through commercialization. www.avidbio.com
