Item 4. Purpose of Transaction.

Item 4 of the Schedule 13D is hereby amended to add the following:

On October 25, 2017 and October 26, 2017, Ronin Trading, LLC delivered supplements (together, the "Nomination Supplements") to that certain letter delivered by Ronin Trading, LLC to the Issuer on July 12, 2017, as supplemented on October 9, 2017, pursuant to which Ronin Trading, LLC nominated James J. Egan, Gregory P. Sargen, Brian W. Scanlan and Saiid Zarrabian for election to the Board of Directors (the "Board") of the Issuer at the 2017 annual meeting of stockholders (the "Annual Meeting"). Pursuant to the Nomination Supplements, Ronin Trading, LLC notified the Issuer of its additional nominations of Richard B. Hancock and Joel McComb for election to the Board at the Annual Meeting, and has therefore nominated a total of six candidates, James J. Egan, Richard B. Hancock, Joel McComb, Gregory P. Sargen, Brian W. Scanlan and Saiid Zarrabian for election to the Board at the Annual Meeting.

On October 27, 2017, Ronin Trading, LLC and SW Investment Management LLC (together with the other participants in their solicitation, "Ronin") issued a press release announcing the additional nominations of Messrs. Hancock and McComb. Ronin also explained its belief that the Issuer's long-standing incumbent non-employee directors, Carlton M. Johnson Jr., David H. Pohl and Eric S. Swartz, continue to place their interests ahead of the Issuer and its stockholders, most recently by disclosing an amended non-employee director compensation program that pays a much smaller cash retainer; yet, it is not applicable to Messrs. Johnson, Pohl and Swartz as they are expected to "transition to the new non-employee director compensation program over a period of time," as explained in the Issuer's Form 8-K filed on October 23, 2017. Ronin reiterated its demand for the Issuer to promptly hold the Annual Meeting and questioned what excuse the Issuer has left for failing to call the Annual Meeting. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

RONIN TRADING AND SW INVESTMENT MANAGEMENT ANNOUNCE ADDITIONAL NOMINATIONS TO BOARD OF PEREGRINE PHARMACEUTICALS

CDMO Executive Richard (Rick) B. Hancock and Life Sciences Executive Joel McComb Join Slate of Six Highly Qualified Candidates for Election at Upcoming 2017 Annual Meeting

Ronin Reiterates Demand for Peregrine to Hold 2017 Annual Meeting without Further Delay

CHICAGO, IL, OCTOBER 27, 2017 – Ronin Trading, LLC and SW Investment Management LLC (together with the other participants in their solicitation, “Ronin” or “we”), collectively the largest stockholder of Peregrine Pharmaceuticals, Inc. (“Peregrine” or the “Company”) (NASDAQ:PPHM), with aggregate beneficial ownership of approximately 9.6% of the Company’s outstanding shares of common stock, today issued the following statement with respect to Peregrine.

We are glad to announce our additional nominations of Richard (Rick) B. Hancock, a +30-year biologic contract design and manufacturing organization (“CDMO”) veteran, and Joel McComb, an entrepreneur and +25-year veteran of life sciences companies, for election to Peregrine’s Board of Directors (the “Board”) at the Company’s 2017 annual meeting of stockholders (the “2017 Annual Meeting”). We believe Mr. Hancock’s prior experience as the President and CEO of Althea Technologies, Inc. (“Althea”), a large molecule CDMO that was acquired by Ajinomoto Co., Inc. in 2013 for \$175 million, as well as his years of cGMP manufacturing experience prior to Althea, make him well qualified for the Board. We believe Mr. McComb’s decades of experience in senior roles at major life sciences companies and deep understanding of the processes and equipment used for analysis and production during biologic drug discovery will make him a valuable addition to the Board. Messrs. Hancock and McComb’s impressive qualifications, which are discussed in greater detail below, make them great additions to our previously announced slate of nominees – James J. Egan, Gregory P. Sargen, Brian W. Scanlan and Saïd Zarrabian.

We remain confident that stockholders are eager for a wholesale change to the composition of the Board and executive leadership regardless of the Company’s eleventh-hour actions. It is apparent to us that the long-standing incumbent non-employee directors, Carlton M. Johnson Jr., David H. Pohl and Eric S. Swartz, continue to place their interests ahead of the Company and its stockholders, most recently by disclosing an amended non-employee director compensation program that pays a much smaller cash retainer; yet, it is not applicable to Messrs. Johnson, Pohl and Swartz as they are expected to “transition to the new non-employee director compensation program over a period of time,”¹ whatever that means. We reiterate our demand for the Company to promptly hold the 2017 Annual Meeting so stockholders have the opportunity to elect representatives capable of representing stockholders’ best interests. With the Company having its slate of directors in place, what excuse is left now for failing to call the 2017 Annual Meeting?

Richard (Rick) B. Hancock has worked in the biologic CDMO industry for over 30 years in various operational and executive roles, serving most recently as President and CEO of Althea, a large molecule CDMO producing a wide range of biologics, vaccines and parenteral products. Mr. Hancock was Althea’s CEO at the time it was purchased in 2013 for \$175 million by multi-billion dollar Japanese chemicals company Ajinomoto Co., Inc. Prior to joining Althea in 1998, he was the Sr. Director of Operations at The Immune Response Corporation where he was responsible for manufacturing, process development, QA and related functions. He began his biotech career at Hybritech Inc. (now part of Eli Lilly & Company), one of the earliest pioneers in monoclonal antibodies where he was responsible for manufacturing and process development of injectable products. Mr. Hancock has made numerous technical presentations to industry organizations and published extensively on topics ranging from regulatory affairs and process and facility validation, to managing contract manufacturing relationships. He is currently the Chairman of the Board and Executive Director of Argonaut Manufacturing Services, Inc., a CDMO focused on the biotechnology and life sciences industries, and a director of each of Tempo Therapeutics, Inc., a company focused on regenerative tissue therapies using synthetic materials, and ALMA Life Sciences Foundation, a non-profit dedicated to bringing effective and inexpensive vaccines to those in need. Mr. Hancock received a BA in microbiology from Miami University.

¹ Peregrine Form 8-K filed on October 23, 2017.

Joel McComb is the CEO, Chairman and Co-Founder of BioSpyder Technologies, Inc., an innovative life sciences company that develops molecular profiling assay technology. From 2008-2010, Mr. McComb was a Senior Vice President and General Manager of Illumina, Inc., a \$30 billion developer of genetic analytic tools for use with sequencing, genotyping and gene expression. From 2004-2007, Mr. McComb was the President of GE Healthcare's Life Sciences and Discovery Systems division with over \$600 million in annual sales, and from 2007-2008 he was the President of GE Healthcare's \$700 million Interventional Medicine division. Prior to GE Healthcare, Mr. McComb was the President, CEO and a director of Innovadyne Technologies, Inc., a fluidics technology company for drug discovery that was acquired in 2004 by Gilson, Inc., a private life sciences systems and equipment manufacturer. From 1995-2001 Mr. McComb held various positions at Beckman Coulter, Inc., including roles as General Manager of the Primary Care Diagnostic Division and Director of Corporate Business Development, Diagnostics and Bioresearch. Mr. McComb began his career in the Biotechnical Services Division of Charles River Laboratories (at the time a division of Bausch & Lomb Inc.) where he was a National Business Manager for the company's monoclonal antibody CDMO division. Mr. McComb previously was a director of Bio-Rad Laboratories, Inc., a \$6.5 billion clinical diagnostics and instrumentation company, from July 2014 to April 2017, with its stock appreciating approximately 23.9% annualized during his tenure. Mr. McComb earned a Bachelor of Science degree in genetics from the University of California, Davis and an MBA from Golden Gate University.

Re: Peregrine Pharmaceuticals, Inc.

Dear _____:

Thank you for agreeing to serve as a nominee for election to the Board of Directors of Peregrine Pharmaceuticals, Inc. (the "Company") in connection with the proxy solicitation that Ronin Trading, LLC and SWIM Partners LP (together the "Ronin Group") are considering undertaking to nominate and elect directors at the Company's 2017 annual meeting of stockholders, or any other meeting of stockholders held in lieu thereof, and any adjournments, postponements, reschedulings or continuations thereof (the "Ronin Group Solicitation"). Your outstanding qualifications, we believe, will prove a valuable asset to the Company and all of its stockholders. This letter agreement (this "Agreement") will set forth the terms of our agreement.

The Ronin Group agrees to jointly and severally indemnify and hold you harmless against any and all claims of any nature, whenever brought, arising from the Ronin Group Solicitation and any related transactions, irrespective of the outcome; provided, however, that you will not be entitled to indemnification for claims arising from your gross negligence, willful misconduct, intentional and material violations of law, criminal actions or material breach of the terms of this Agreement; provided further, that upon your becoming a director of the Company, this indemnification shall not apply to any claims made against you in your capacity as a director of the Company. This indemnification will include any and all losses, liabilities, damages, demands, claims, suits, actions, judgments, or causes of action, assessments, costs and expenses, including, without limitation, interest, penalties, reasonable attorneys' fees, and any and all reasonable costs and expenses incurred in investigating, preparing or defending against any litigation, commenced or threatened, any civil, criminal, administrative or arbitration action, or any claim whatsoever, and any and all amounts paid in settlement of any claim or litigation asserted against, resulting, imposed upon, or incurred or suffered by you, directly or indirectly, as a result of or arising from the Ronin Group Solicitation and any related transactions (each, a "Loss").

In the event of a claim against you pursuant to the prior paragraph or the occurrence of a Loss, you shall give the Ronin Group prompt written notice of such claim or Loss (provided that failure to promptly notify the Ronin Group shall not relieve us from any liability which we may have on account of this Agreement, except to the extent we shall have been materially prejudiced by such failure). Upon receipt of such written notice, the Ronin Group will provide you with counsel to represent you. Such counsel shall be reasonably acceptable to you. In addition, you will be reimbursed promptly for all Losses suffered by you and as incurred as provided herein. The Ronin Group may not enter into any settlement of loss or claim without your consent unless such settlement includes a release of you from any and all liability in respect of such claim.

You hereby agree to keep confidential and not disclose to any party, without the consent of the Ronin Group, any confidential, proprietary or non-public information (collectively, "Information") of the Ronin Group, its affiliates or any members of any group formed by the Ronin Group pursuant to Rule 13d-1(k)(1) (iii) under the Securities Exchange Act of 1934, as amended ("Schedule 13D Group") which you have heretofore obtained or may obtain in connection with your service as a nominee hereunder. Notwithstanding the foregoing, Information shall not include any information that is publicly disclosed by the Ronin Group, its affiliates or any members of any Schedule 13D Group or any information that you can demonstrate is now, or hereafter becomes, through no act or failure to act on your part, otherwise generally known to the public.

Notwithstanding the foregoing, if you are required by applicable law, rule, regulation or legal process to disclose any Information you may do so provided that you first promptly notify the Ronin Group so that the Ronin Group may seek a protective order or other appropriate remedy or, in the Ronin Group's sole discretion, waive compliance with the terms of this Agreement. In the event that no such protective order or other remedy is obtained or the Ronin Group does not waive compliance with the terms of this Agreement, you may consult with counsel at the cost of the Ronin Group and you may furnish only that portion of the Information which you are advised by counsel is legally required to be so disclosed and you will request that the party(ies) receiving such Information maintain it as confidential.

All Information, all copies thereof, and any studies, notes, records, analysis, compilations or other documents prepared by you containing such Information, shall be and remain the property of the Ronin Group and, upon the request of a representative of the Ronin Group, all such information shall be returned or, at the Ronin Group's option, destroyed by you, with such destruction confirmed by you to the Ronin Group in writing.

This Agreement shall be governed by the laws of the State of New York, without regard to the principles of the conflicts of laws thereof.
