**ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS**

(d) On October 17, 2017, the Board of Directors (the “Board”) of Peregrine Pharmaceuticals, Inc. (the “Company”), acting pursuant to its Amended and Restated Bylaws, adopted a resolution to increase the number of authorized directors of the Company from five to six directors and, following the recommendation of the Nominating Committee of the Board, adopted a resolution appointing Mark R. Bamforth, effective immediately, to fill the vacancy created thereby.

The Nominating Committee determined that Mr. Bamforth is qualified to serve on the Board due to his 30 years of extensive leadership experience and expertise in the contract development and manufacturing sector.

Mr. Bamforth has not engaged in any related person transaction (as defined in Item 404(a) of Regulation S-K) with the Company, and there was no arrangement or understanding between Mr. Bamforth and any other persons pursuant to which Mr. Bamforth was selected as a director.

As a non-employee director, Mr. Bamforth will receive compensation under the Company’s non-employee director compensation program, which was recently amended by the Compensation Committee of the Board, and consists of an annual cash retainer, paid in monthly installments, of \$55,000 per year and a separate annual cash retainer of \$15,000 per each committee of the Board on which a non-employee director serves. At the time of the filing, the Board had not yet determined the committee(s) of the Board on which Mr. Bamforth would serve. In addition, under the compensation program, Mr. Bamforth is eligible to receive a cash fee of \$2,000 per day for each Board of Directors meeting attended, whether in-person or telephonically, and is entitled to receive a cash fee of \$2,000 for each additional Company meeting attended in excess of four hours in length. The Compensation Committee expects that existing non-employee directors will transition to the new non-employee director compensation program over a period of time.

Pursuant to the non-employee director compensation policy, Mr. Bamforth, as a new director, was granted stock options from the Company’s existing stock incentive plans to purchase up to an aggregate of 75,000 shares of the Company’s common stock at an exercise price equal to the closing price of the Company’s common stock on October 17, 2017. The stock options will vest in equal monthly installments over a three (3) year period.
