Notice of Proprietary Information

This Charter is the property of Avid Bioservices, Inc., and any of its subsidiaries. The information contained herein is proprietary to this Company and may not be copied or reproduced without the express written permission of the Company's President & Chief Executive Officer.

PURPOSE

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing (i) the Company's financial statements provided to stockholders, the public and others, (ii) the Company's system of internal controls regarding finance, accounting, legal compliance and ethical behavior and (iii) the Company's auditing, accounting and financial reporting process. Consistent with this function, the Audit Committee shall encourage continuous improvement of, and foster adherence to, the Company's policies, procedures and practices at all levels.

In meeting its responsibilities, the Audit Committee is expected to:

- serve as an independent and objective party to review the Company's financial reporting process and internal control system;
- review and evaluate the audit activities of the Company's outside auditors; and
- provide an open avenue of communication among the outside auditors, management and the Board of Directors.

Without limiting the foregoing, and in recognition of the fact that the Company's outside auditors are ultimately accountable to the Audit Committee, the Audit Committee has the sole authority and responsibility to select, evaluate, oversee, determine the compensation of and, where appropriate, replace the outside auditors and/or nominate the outside auditors for stockholder approval. The Audit Committee shall consult with management, but shall not delegate these responsibilities. The Audit Committee is responsible for resolving disputes between management and the outside auditor regarding financial reporting issues.

The Audit Committee shall primarily fulfill these responsibilities by carrying out the activities enumerated under the heading "Responsibilities and Duties" in this Charter. In carrying out its responsibilities, the Audit Committee has the authority (i) to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and (ii) to retain independent legal, accounting and other consultants to advise the Audit Committee, at the Company's expense, as it deems necessary.

ORGANIZATION

The Audit Committee shall be appointed by the Board of Directors and shall be comprised of three or more directors as determined by the Board of Directors, each of whom shall be an independent director (as defined by all applicable Nasdaq and SEC rules and regulations) and each of whom is free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of the director's independent judgment as a member of the Audit Committee.

All members of the Audit Committee shall have a working familiarity with basic finance and accounting practices and be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement or shall become able to do so within a reasonable time after his or her appointment to the Audit Committee. At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other

comparable experience or background which results in that member's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. No member of the Audit Committee shall have participated in the preparation of the financial statements of the Company or any current subsidiary at any time during the previous three (3) years.

MEETINGS

The Audit Committee shall meet as circumstances require. The Audit Committee may require any officer or employee of the Company or its subsidiaries, the Company's outside auditors or outside counsel or others to attend its meetings or to meet with any members of, or consultants to, the Audit Committee, and to provide pertinent information as necessary. As part of its job to foster open communication, the Audit Committee shall meet at least annually with management and the Company's outside auditors in separate executive sessions to discuss any matters that the Audit Committee or any of these groups believe should be discussed privately.
